Partnership & supply brief

Markets

Products have reached Saudi Arabia, the UAE, Qatar, Iraq and Germany. New market enquiries are welcome.

Packaging & supply

Formats vary by product. Commercial packing, minimum quantities, available capacity and lead times are confirmed in a written offer.

Specifications & quality

Request ingredient lists, nutrition, allergens, storage and shelf-life details, plus quality documents and certification scope relevant to your enquiry.

Export & labelling

Destination requirements, label language, documentation and shipping are reviewed for each enquiry. Private-label requests are assessed against requirements and capability.
